About Us

Abdulaziz Hamad AlSaleh was founded by Mr. Abdulaziz Hamad AlSaleh (1962), an innovative entrepreneur, who established a small entity at Al Tijjar Road in Manama selling food items in the 1960s. Later, he expanded his business successfully into importing pipes, plumbing and sanitary fittings.

Continuing the steps of the establisher, Hamad Abdulaziz Al Saleh (the son) have made Abdulaziz Hamad Al Saleh a renowned and internationally respected company known for its honesty in dealing and transparency in serving a large customer base by meticulous planning and sound management practices.

As the success story develops, now days the company holds a pioneer role in the building materials market and boasts four exclusive activities: sale of pipes, plumbing, sanitary fittings and commission agents. Currently and on the steps of Mr. Hamad Al Saleh (the son), the third generation is completing the steps and widen the company to hold more international brands and becomes an agent of worldwide pipes & fittings agencies and tens of plumbing companies in which we represents as their major local distributor.

Over the years the company has entered into various government housing and huge private real estate projects such as Hamad-Town, Bahrain Financial Harbor, Gulf Hotel, Al-Dana Resort, The Ritz Carlton, Radisson Sass Diplomat Luxury Apartments, Amwaj Islands ,Al-Areen Resort, Riffa- Views, One and Only Resorts (Jumaira Royal Sarray) , Juffair Mall etc.

The company has also contributed in the foundation and supplying of plumbing products to major medical institution in the country such as Ibn-Al-Nafees Hospital, Bahrain Specialist Hospital, Salmaniya Emergency Ward, BDF Theater Rooms and Al Noor Specialist Hospital etc.

Nowadays , the company is completing its journey by going concern and being sustainable in terms of serving the retail and corporate customers all along Kingdom of Bahrain.

Our Mission

Deliver quality, price sensitive products and after sale services to ensure we are the prime choice for our partners and customers from the private and public sectors.

Our vision

Maintain our regional leadership as premier supplier of plumbing and sanitary material and services group with growing influence in global markets.

Chairman Statement

Working hard, healthy work environment and customer satisfaction is AHS building blocks of success

For the last five decades I have witnessed the dramatic changes occurred to Bahrain Economy, then i realized how hard the journey of sucess will accommodate.

Since then, «*Abdulaziz Hamad Al Saleh* » had grown with the kingdom of Bahrain economy and become the agent of the biggest factory for copper tupe and fittings in Australia “*CRANE*” .

Nerveless, agency of worldwide trade marks for PVC fittings had been obtained from the leading Company in the world «*IPLEX*».

From these two ancient brands the success began of «*Abdul Aziz Hamad Al Saleh* » as house of unique and genuine brands from all around the world and our reputation had been developed widely reaching the GCC Region , therefore i am proud to announce that «*AHS*» is the home of more than 30 brands supplied to Kingdom of Bahrain community.

As of now and after developing the company over these decades with varaiety of brands that the customer will enjoy to choose among, I believe that «*Abdulaziz Hamad Al Saleh* » has the mega share of supplying sanitary ware , piping system and fittings to the kingdom of Bahrain.

Completed Projects

Tala Island

Is uniquely shaped in an elongated curve offers a variety of villas each with individual beach access to a calm lagoon together with a wide range of apartments set in over a million square in over a million square feet of irrigated, lush landscaped grounds. The developers have ensured a high level of communal area, common beach access and visitor amenities creating a residential island of distinction and balance.

Environmental planning of Tala Island ensures the right mix of building types. Higher level apartment buildings are zoned to the centre of the development, while villas and low level buildings are to the buildings are to the frontages. This considered approach maximizes the view and outlook for each property and is combined with generous landscaping to soften the streetscape.

Meena 7 Towers

Meena 7 Towers is composed of two hundred and thirty five (240) apartment units in seven (7) buildings having gross floor area of 44,000 square meters, spanning area of 22,722 square meters. it content of 1,2,3 & 3 plus maid's room apartments ,2 elevator in every tower , 24 hours Security , Swimming pool , Health Club & spa , Seafood Restaurant, beach front apartment , water activates and a lot .

Durrat Al Bahrain

Is deemed as a hallmark resort island city of the 21st century. Located on the south coast of Bahrain, this 21 km² master development has been created across a cluster of 15 spectacular islands. It will host, among its many kaleidoscopic offerings, over 1000 beautiful beachfront villas, luxury apartments and offices, luxury hotels and spa resorts, parks and entertainment precincts, mosques and international schools, premier retail malls and restaurants, a 400-berth marina, and an Ernie Els designed 18-hole championship golf course.

Named after the 'most perfect pearl' in the Arabian Gulf, Durrat Al Bahrain is a US\$ 6 billion joint development owned by the Government of Bahrain and Kuwait Finance House (Bahrain). The project is designed by Atkins, world renowned design, engineering and consultancy firm.

Al Ramli Mall

The mall has been designed and created by some of the finest minds in the construction and hospitality business. The location of the mall has been selected keeping in mind the space the mall requires and also the developing suburban neighborhoods. Ramli mall is spread over 45,000 sq. m. of leasable land, which is home to top international brands. The mall aims to provide a complete shopping and entertainment experience. To this end it has stores that feature anything and everything shoppers may be searching for. It also has an enormous Lulu Hypermarket. The mall also offers great eating and playing options. Enjoy a snack or meal at the food court that can seat 1400 guests. The restaurants and fast food outlets offer a terrific gourmet experience.

Almarsa Floating

Al Marsa Floating City project of Amwaj Islands in Bahrain which is a man made island located very close to the Manama. All the houses and apartments in Al Marsa Floating City are built on a deep canal where you can park your boat at your door step. This house is a perfect mix of water and green garden around it.
